ANOTHER OIL WELL PROSPECT

ADA OIL AND GAS CO. ON DEAL WITH EXPERIENCED DRILLER

J. H. Creman of Lima, Ohio, a man who has been engaged in the oil business for many years and who has had much experience in wildcat territory, has been here for sometime looking over this field.

The Ada Oil & Gas Co. recently made him a proposition similar to one considered by J. M. Wintersmith some months ago, and we were informed this afternoon that he has decided to accept it. If, as now seems probable, the deal goes through, a rig will be brought in at once and work rushed until it can be shown once for all if there is oil or gas in the vicinity of Ada.

\$75,000 BALES IN OKLAHOMA.

Secretary of Agriculture Estimates Gross Value to Producers at \$61,000,000.

Guthrie, Ok., Dec. 9.—In the supplemental bulletin for December, issued by Secretary F. W. Gist of the State Board of Agriculture today, he estimates the total Oklahoma cotton crop this year at 875,000 bales of 500 pounds each. Secretary Gist says:

"This crop of cotton will return to the producer a gross value of \$61,000,000 and will undoubtedly be the most valuable crop of cotton which Oklahoma has ever produced, though perhaps not quite as large a crop in number of bales as that produced in 1906."

Commission Government Proposed.

Oklahoma City, Ok., Dec. 9.—A charter providing for a commission form of government was completed by a board of freeholders today. It provides that the city government shall be in the hands of a mayor, who shall draw a salary of \$4,000 a year, and four commissioners, each to draw \$3,000 a year, all to devote their entire time to the city's affairs. A recall is provided and civil service rules for applicants for appointments.

Oklahoma Forest Fires.

Paris, Tex., Dec. 9.—A visitor from Idabel, Okla., reports that the whole bottom country from the Arkansas line to Hugo, Ok., has been burned over by forest fires, and that all of the cane has been burned out. He said that people who owned cattle would have to gather them up and feed them during the winter. Cattle in the stalk fields were reported to be dying either from smutty shucks or from the dust settling on them.

Cotton Up Again.

As a result of the government report yesterday which places the cotton crop at only 11,426,000 bales, the price took quite a jump. It has been selling here today at prices all the way from 12.75 to the neighborhood of 15c depending, of course, on the grade of the staple.

Street Fakirs.

There has never been a time when there were as many street fakirs in town as there have been this week. About half a dozen have held the streets today and must have done a thriving business if the crowds that followed them indicate anything.

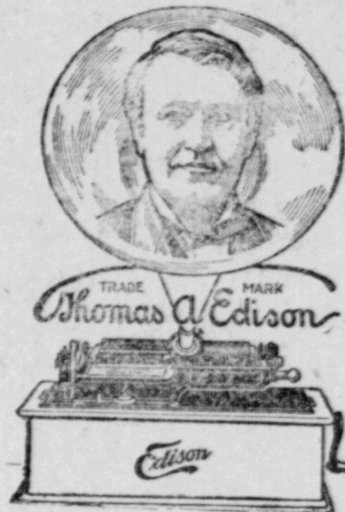

Successful Box Supper.

Prof. J. O. McMinn reports that the box supper at Homer school house last evening was a decided success, \$33.10 being netted to apply on the addition to the school house.

VITAL STATISTICS OF PONTOTOC COUNTY

According to the report of the state board of health, there were 38 births and 11 deaths in Pontotoc County during the month of October, all of which were among whites. No births or deaths are reported among the negroes. Of the births there were 29 males and 18 females. Of the deaths 5 were males and 6 females. Of the deaths reported, diphtheria, typhoid fever, and tuberculosis were responsible for two each, and pneumonia for one. The others are not given. There were 10 cases of typhoid fever, 5 for diphtheria, 2 of euberculosis and 1 of pneumonia.

Back from Registers' Meeting.

C. C. Hargis returned last evening from Tulsa where he attended the meeting of the state association of registers of deeds. He reports a good meeting with about forty-five in attendance. They were royally entertained by the citizens of Tulsa, being made honorary members of the Metropolitan Club, given a banquet, and a big auto ride over town. Mr. Hargis speaks in highest terms of the warm welcome given them by the people of Tulsa.

Stork Keeps Up Good Lick.

Guthrie, Dec. 8.—The stork left 2,390 babies in Oklahoma during October, of whom 2,329 were white and 61 negro, according to the monthly bulletin of the state board of health made public today. There were 745 deaths, 689 white and 56 negro. Pneumonia caused 28 deaths, tuberculosis 48, typhoid fever 91, smallpox 3, scarlet fever 1 and diphtheria 31.

Baptist Ladies Serve Dinner.

For some time the congregation of the North Ada Baptist church have been busy trying to raise sufficient funds to seat the church properly, and today the ladies served a fine dinner at the Holley building. It was well patronized and the proceeds will aid materially in carrying out their plan.

A Correction.

In the society column last week we made a very bad error. In getting the report of a social affair over the phone we misunderstood a name, and stated that Mrs. G. P. Carney had entertained, whereas, it should have been Mrs. J. T. Conn.

AN EXPLANATION.

The News desires to apologize to its subscribers for being so late in reaching them yesterday. Being very badly crowded with work just now and having to print two extra pages yesterday, it was simply impossible to get out at the usual hour. We hope to be strictly on time hereafter.

PREPARING PROGRAM FOR COMMISSIONER'S MEET

The state association of county commissioners will hold its opening meeting at the city hall about 11 o'clock Monday. Welcome addresses will be made on behalf of the county city and 25,000 club by men yet to be appointed. A banquet will be given Monday evening at the Harris hotel in honor of the visitors, at which it is expected that our witty Irishman, Tom D. McKeown will act as toastmaster. As we remarked yesterday these commissioners will be from all parts of the state and they should be shown all the courtesy possible, just as they have been in other towns.

John Crawford at Home.

Finding things about the representative hall a trifle dull, John Crawford dropped in home yesterday and will remain until tomorrow afternoon. He says it is very doubtful if there is any capital legislation at this session of the legislature. He says the opposition senators are not so conscientious in protecting the interests of the state as they are in trying to give Haskell a jolt, they being on the insurgent order and opposed to anything they think he would favor

KNIGHTS TEMPLAR ENTERTAIN FRIENDS

A pleasant affair last evening was the smoker given by the Knights Templar. A few invited guests were present, and the Sir Knights proved themselves fine entertainers.

During the informal hour while enjoying their good cigars, several impromptu talks were made by Eminent Commander C. A. Powers, some of the Sir Knights and visitors.

Guthrie Plans for Inauguration.

Guthrie, Ok., Dec. 9.—The Lee Cruce club held a meeting in the Superior court room and made plans for the inauguration ceremonies of Gov.-Elect Cruce, who will take the oath of office on Jan. 9, 1911.

The plans will not conflict with those perfected by the extra session of the legislature. Committees were named for reception, ball and luncheon. The reception will be held at the lone hotel and the oath administered on the steps of the capitol. The plans were made on the assumption that Guthrie is the capital of the state.

A BIG JOB.

Mr. Cruce has a big job on his
hands selecting satisfactory timber
for 250 jobs out of something like 2-
500 applicants. It would not be sur-
prising if he should fail to find sat-
isfactory material for some of the
places, even out of this seeming
abundance. Many of the people who
think they are qualified to hold office
are mistaken about it.—Vinita Lead-
er.

Yes, patriots will be flocking to
Mr. Cruce in great droves and if they
are to be believed, Cruce would never
have been governor had it not been
for the influence of each and every
one of these leaders (?) Well, there
is one he will not be bothered with,
and that is the editor of the News.
He has all the office he wants and
thinks that there is some possibility
of Mr. Cruce worrying along four
years without his assistance, inval-
uable though it would be when it
comes to handling the state govern-
ment.

A WEAK WOMAN AND HER STORY

In Floral, Ark., Lives a Lady Who
Feels That Her Strength Was
Restored by Cardui.

Floral, Ark.—"I must speak a good
word for Cardui," writes Mrs. Viola
Baker, of this place.

"About a month ago I was in very bad
health. I was so weak and nervous that
I was not able to do my housework.

"My husband bought me one bottle of
Cardui, the woman's tonic. I took it ac-
cording to directions and now I am in
good health.

"I think Cardui is a fine tonic for weak
women."

And you are not the only lady who
thinks so, Mrs. Baker.

Thousands, like you, have written to
tell of the wonderful benefit Cardui has
been to them.

Cardui contains no minerals, or other
powerful drugs. It contains no glycerin
or other mawkish-tasting ingredients.

It is just a pure, natural extract, of
natural vegetable herbs, that have been
found to regulate the womanly functions
and strengthen the female system.

All druggists sell Cardui.

See yours about it.

WHEN HER BACK ACHES

A Woman Finds All Her Energy and
Ambition Slipping Away.

Ada women know how the aches
and pains that come when the kidneys
fail make life a burden. Backache,
hip pains, headaches, dizzy spells,
distressing urinary troubles, all tell
of sick kidneys and warn you of the
stealthy approach of diabetes, dropsy
and Bright's disease. Doan's Kidney
Pills permanently cure all these dis-
orders.

Can Ada sufferers desire stronger
proof than this woman's words?

Mrs. H. L. Sadler, of Coalgate, Ok.,
says: "Doan's Kidney Pills did more
for me than any other kidney reme-
dy I ever used. I suffered for more
than three years from kidney disease
in a severe form. My back ached con-
stantly and there were dull, bearing
down pains through my loins. I was
also subject to dizzy spells and at
times my sight became blurred. When
the attacks were at their height, I
was helpless and had to sit down. I
doctored and tried everything I could
think of in the hope of finding re-
lief, but I was only helped tempo-
rarily. Finally I procured a box of
Doan's Kidney Pills and shortly after
beginning their use, I received a
complete cure."

For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo,
New York, sole agents for the United
States.
